

Association membership and donation form.

Your membership fee will be used solely for the purpose of keeping Namaske Lake clear of milfoil.

We did not collect membership fees in 2011, so we are asking for 2011 & 2012 individual memberships at \$10 per person, and are asking for additional tax deductible contributions during the 2012 season in order to help pay for the treatment scheduled for June 19th, 2012.

Forms/Checks can be mailed to:
